*Re: USA v. Kamla Sahabir
1:09-cr-00507-DNH
Our File No. CR-865*

Dear Judge Hurd:

I have reviewed the Order to Show Cause submitted by Andrew Safranko on behalf of Baldeo Sahabir and hereby join in the application and request that the Court grant a new trial based on the newly discovered evidence and in the interests of justice, or in the alternative, grant a hearing to address this issue.

Finally, we also join in the request that the Court grant defendants' request for a stay of detention pending the resolution of this matter.

Sincerely,

E. STEWART JONES, PLLC
